

### **Key Investment Considerations**

- Fully integrated business model with exposure to the complete hospitality value chain characterized by a product with the highest value-price ratio.
- Systematic and streamlined development execution from the most experienced team in LatAm that secures entry cap-rates and maximizes returns.
- Largest hotel chain in its segment in Mexico with geographically diversified asset base geared towards higher than average GDP growth and benefited by fragmented, substandardize and stagnant existing inventory.
- State-of-the-art operation, distribution and digital marketing platform at the forefront of industry trends levered by a "real-time operation" organizational culture.
- Strong brand positioning that potentiates growth through management and franchise contracts and an asset light strategy.
